

Township of Ocean

2022 Municipal Calendar

Mayor and Council

Dear Residents,

Happy New Year from your Mayor and Council! We had quite a productive year despite some of the challenges left behind from the pandemic, and we are ready to welcome 2022!

The Council was very happy to resume some of our resident favorite events. Last year we were able to have our Super Senior Luncheon, National Night Out with our Police at the community pool, Mayor's Ball and Fall Fest. This year, additional events we were unable to hold during the pandemic, will make a return appearance! They include the St. Patrick's Day dinner, Easter Egg Hunt and our July 4th celebration!

In addition to the events we were able to resume last year, ongoing events that were held included; the Mayor's Cup Charity Golf Outing, our Memorial and Veteran's Day Ceremonies and the 20th anniversary of 9/11 Service. There were also movies, concerts and our Christmas Tree and Menorah lighting. Enjoy the photos on this page from some of these events. Be sure to check the "Events" tab on the website for all community happenings.

Remember, in addition to the website, there are other ways to stay informed. Up to the minute storm and/or power outage reports can be found on Mayor Chris Siciliano's Facebook page. Our television programming is another great source of information. Ocean TV can be found on Channel 22 for FIOS customers and Channel 77 on Optimum. There you can view our Council, Planning Board, and Board of Adjustment meetings. These meetings, as well as other special events, can also be viewed on our YouTube channel. The link is available on our website. We, as your council want to know what is on your mind. We encourage you to reach out to us at (732-531-5032) and let us know how we can serve our residents more effectively.

Our thanks to John McGrath for the beautiful picture of the Terner House on our cover and thank you to all those who contributed photos for the calendar.

We wish you all a healthy, happy and peaceful 2022, and all the best.

*Mayor Christopher P. Siciliano * Deputy Mayor John P. Napolitani, Sr.
Councilmembers Robert V. Acerra, Sr., Dr. Margie Donlon, Dr. David J. Fisher*

Do You Know About?

Property Tax Relief Programs

There are several programs for property tax relief including deductions for senior citizens and surviving spouses, disabled persons, veterans and widows of veterans as well as property tax exemptions for totally disabled veterans having wartime service. Information regarding these deductions/exemptions can be obtained through our website, www.oceantwp.org/assessor, or by visiting or calling the Tax Assessor's office at 732-531-5000, ext. 3345 or 3346.

Property Tax Relief

The State of New Jersey administers other property tax relief programs. Information on these programs can be obtained online at: <http://www.state.nj.us/treasury/taxation/relief.shtml>.

Tax and Sewer Bill information

Tax bills are mailed out once a year in July. Sewer bills are mailed out once a year in January. Added/omitted tax bills for improvements made to your property are mailed in October and are due November 1st. Payments for both tax and sewer can be made in person, by mail or electronically on the Township of Ocean website, www.oceantwp.org. For additional information, call the Tax Collector's office at 732-531-5000, ext. 3341 or 3342.

Name and Address Changes

If you require a change to the legal name of the owner or owners of your property, a new deed must be filed with the Monmouth County Clerk's office— <https://co.monmouth.nj.us/page.aspx?ID=1985>. Once we receive the new deed from the County Clerk's office, our records will be updated to reflect the new owner information.

Giving Back

We are proud to provide both our veterans and active duty military personnel with certain discounts in our Construction office as well as our Recreation office. Visit www.oceantwp.org for details.

www.oceantwp.org

Recycling Information

Recycling Matters

Since 2011, Township residents have recycled an average of approximately 290 tons of material per month through the Township's single-stream curbside recycling program.

Recycling remains important to:

- Protect Natural Resources
- Save Energy
- Protect Clean Air and Water
- Save Landfill Space
- Create Jobs
- Save Money

The Township recycling drop-off center is located at 3602 Sunset Avenue, the west end of Sunset Avenue.

HOURS: 7:30 a.m. to 2:30 p.m. Monday through Friday (except holidays) and Saturday 8 a.m. to 12:00 p.m.

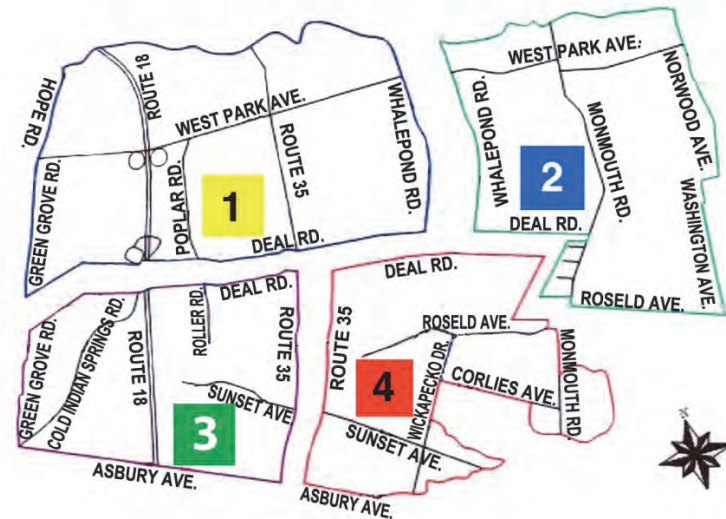

Summer Hours – (April 15 through September 30):
Monday, Wednesday and Friday 7:30 a.m. - 2:30 p.m., Tuesday and Thursday 7:30 a.m. - 5:00 p.m.,
Saturday mornings 8:00 a.m. to 12 p.m.

Single-stream recycling of all plastic containers, glass, tin aluminum cans, cardboard, newspaper, magazines, junk mail and shredded paper is available for Township residents and business owners.

Scrap metal and electronics are separated and placed in individual containers. We also accept bulk waste and concrete. The center, however, will not accept these materials from commercial entities.

Know Your Zone

For purposes of trash, recycling and bulk collection, our Township is broken into four quadrants/zones shown below.

Composting Is Also Recycling

Composting involves placing kitchen vegetables and yard waste into a special (compost) pile, so that it breaks down into a natural, soil-like product which can be used as fertilizer.

Composting bins can be purchased at the Township municipal building located at 399 Monmouth Road.

Call the Public Works office at 732-531-5001 for more information or to order a bin.

Department of Community Development

Planning, Building & Zoning

CONSTRUCTION AND BUILDING

The Construction and Building Division is responsible for the issuance and inspection of all construction permits, both residential and commercial. This division also reviews and issues permits for tree removal and garage sales.

PLANNING AND ZONING

The Planning and Zoning Divisions are responsible for providing professional services to the Planning Board and Board of Adjustment, reviewing all land use applications and the issuance of zoning permits for driveways, fences, patios and storage containers. Our Zoning Division also reviews and issues business licenses and temporary sign permits.

Do I need a permit?

Visit *Planning, Building & Zoning* at www.oceantwp.org for information and to download forms and applications for:

- Garage sales
- Business License and Food License applications
- Construction permit forms and applications
- Tree removal applications
- Zoning permit applications for fences, sheds, patios and driveways
- Temporary signs
- Storage containers

The Comprehensive Land Development Ordinance is also available for review on our website for zoning and land use ordinances.

**Permits are issued between the hours of
9:00 a.m. and 4:00 p.m.**

Summer Morning Recreation Summer Project Extend

- Kids spend summer mornings in a variety of supervised activities: swimming, field trips, crafts and games and more!
- For children entering grades 1 - 8
- Bus transportation available for Ocean residents for an additional fee
- Project Extend Summer Care provides morning and afternoon child care.
- Registration begins in early February. Sign up through Community Pass or pick up an application at the Department of Human Services.

Ocean Community Pool and Tennis Facility

- Open Memorial Day weekend to Labor Day weekend
- Seasonal memberships and daily fees available
- Discounted rates for Ocean residents and seniors
- Three pools, sports courts, snack bar, playground and shaded picnic grove
- Swimming and tennis lessons offered
- Daily supervised activities for children
- 615 West Park Ave., Oakhurst

William F. Larkin Golf Course at Colonial Terrace

- Open daily April - mid-November
- Pristine 9-hole regulation golf course
- Group and private lessons with a PGA Pro
- League play, special events and tournaments throughout the season
- Discounted rates for Ocean residents.
- Carts and club rentals available
- 1003 Wickapecko Drive, Wanamassa
- www.ColonialTerraceGolf.com

Environmental Commission and Shade Tree Commission

The mission of the Township of Ocean Environmental Commission is to promote the conservation and preservation of all the natural resources of the Township. The Commission meets monthly, usually on the first Thursday of each month at 8:00 pm in Town Hall.

The Shade Tree Commission promotes the planting and care of the trees and shrubs located along the streets, public places, and parks in the Township. The Commission meets monthly, usually on the first Thursday of each month at 7:00 pm in Town Hall.

Our meetings are always open to the public, and new members are always welcome! Find more information about these commissions on the Township's website at www.oceantwp.org, under the "Boards & Commissions" and "Agendas & Minutes" links.

SOME BENEFITS OF TREES:

- Landscaping, especially with trees, can significantly increase property values.
- Three trees placed strategically around a single-family home can cut summer air conditioning needs by up to 50 percent. The net cooling effect of a healthy tree is equivalent to 10 room-sized air conditioners operating 20 hours a day. By reducing the energy demand for cooling our houses, we reduce carbon dioxide and other pollution emissions from power plants.
- Leafy tree canopies catch rain before it reaches the ground, allowing some of it to gently drip and the rest to evaporate. This diminishes the impact of storms by reducing runoff and erosion. One large oak tree can absorb and transpire 40,000 gallons of water a year.
- Studies have shown that patients with views of trees out their windows heal faster and with fewer complications. Children with ADHD show fewer symptoms when they have access to nature. Exposure to trees and nature aids concentration by reducing mental fatigue.

In 2019, Shade Tree Commission gave approximately 350 trees to Township residents. Each year, the Environmental Commission gives seedlings to all third graders in Ocean Township schools for Arbor Day.

Clean Communities Program

If you are interested in serving as a volunteer on the Clean Communities Advisory Committee, or have an interest in participating in the Clean Sweep events, please call 732-531-5000 ext. 3378 or visit our website at www.oceantwp.org and select Volunteer Opportunities.

Please check the website for upcoming events!

The State of New Jersey Clean Communities program is a comprehensive program under the Department of Environmental Protection involving combined efforts of local towns with enforcement of litter and graffiti abatement through litter control and removal. This State-funded grant is important to maintain a clean municipality, and it assists us with two Clean Sweeps, Fall Fest and Earth Day activities every year.

The Township of Ocean Clean Communities program ensures that litter abatement is performed on all Township properties, including our many parks, and coordinates the cleaning of some of the local,

county and state roadways within the Township. Through public education, community events and partnerships with the schools, our goal is to keep Ocean clean and litter-free.

Please note a statewide ban on disposable bags goes into effect on May 4, 2022.

FLOOD INFORMATION

In Ocean Township, flooding and other drainage problems can result after several inches of rain in a short period of time or after several days of continued rain. In past years, our community has experienced numerous rainfall events causing flood damage. Hurricanes, tropical storms and other threatening weather can present flood hazards to residents especially when there are high tides, storm surges caused by winds, and heavy rainfall.

It is wise to consider the possible flood hazards before you buy any property. Typical homeowners insurance policies exclude coverage for flood damage. Talk to your insurance provider about your policy and consider whether you need additional coverage.

The [National Flood Insurance Program \(NFIP\)](https://www.floodsmart.gov/) helps provide a means for property owners to financially protect themselves if additional coverage is required. The NFIP offers flood insurance to homeowners, renters, and business owners if their community participates in the NFIP. To find out how much flood damage could cost you, estimate your premium and learn more about the NFIP visit [www.FloodSmart.gov](https://www.floodsmart.gov/).

"Turn Around, Don't Drown." Floods are among the most frequent natural hazards in New Jersey, and among the most devastating in terms of human hardship and economic loss. During a weather event or a natural disaster, it's important to realize that the best thing to do is to stay home unless instructed otherwise by public officials. If you have to go out, please understand that your car cannot drive through flooded roadways.

Please visit www.oceantwp.org/floodinformation to better understand flood hazards.

Please visit www.oceantwp.org/floodinformation to better understand flood hazards

Police Department

The Township of Ocean Police Department was formed in 1929 with ten officers and 93 years later has grown to sixty three officers. The members of the Police Department serve the residents and businesses with pride, respect and professionalism.

The Department takes a proactive approach to all areas of policing to provide the best possible service to the community. Criminal investigations, traffic enforcement and community policing are the three main components of that approach. Members of the Department participate in numerous community events throughout the year and pride themselves on providing excellent customer service. The Department operates a 9-1-1 Communications Center which answers over 60,000 phone calls per year and dispatches over 30,000 calls for service which handled by police officers.

The Police Explorer Program has recently welcomed several new members and is always looking for young teenage volunteers. The explorers assist with community events and interact with police officers who volunteer as explorer advisors. Together they are building the future in law enforcement.

In 2022 the Police Department will be undergoing the re-accreditation process through the New Jersey State Chiefs of Police Association Accreditation Commission. The Department initially achieved Accreditation status in 2013 and is evaluated every three years to insure compliance with the "Best Practices and Procedures in Law Enforcement".

The Police Department utilizes several social media platforms to send and receive information to and from the residents and public. The Code Red Community Notification System is used to notify residents of important information via phone and text. Nixle is a secure messaging system used to deliver community messages via text and email. Facebook, Twitter and Instagram accounts are also used to broadcast both emergency and non-emergency information. Please visit the Township's website at www.oceantwp.org for more information and links to the social media platforms. All are encouraged to sign up!

Office of Emergency Management

September is National Preparedness Month. The Office of Emergency Management is reminding residents **“Disasters Don’t Wait. Make Your Plan Today.”** It is vital that all residents have access to reliable information sources during an emergency. If Superstorm Sandy and subsequent events have taught us anything, it was to be prepared for the emergency as well as be able to provide crucial information to the first responders. Social media and other sources have become fixtures in our everyday life. To make sure you are tied in to important information coming from the Township, sign up for NIXLE alerts by clicking on the Township of Ocean Police web page at www.oceantwp.org/police.

Make an emergency kit and emergency plan: Well-stocked emergency kits will allow individuals and families to survive several days without access to food, water, or electricity. Make plans with family and friends in case you’re not together when any type of emergency occurs. Discuss how you will contact each other, where you will meet, and what you will do in different situations. For more information on how to put a family emergency plan and a kit together, as well as obtain more information go to the NJ Office or Emergency Management webpage at <http://ready.nj.gov> or the US www.ready.gov site .

The Office of Emergency Management works closely with all emergency response organizations in the Township, the Police, Oakhurst and Wanamassa Fire Depts. and Oakhurst and Wanamassa EMS. All of these dedicated individuals provide you with the best emergency services bar none.

We encourage you to sign-up for NIXLE as well as CodeRED (both available from the Police website) to stay on top of important developments in town. Also please subscribe to one of our social media outlets on Facebook, Twitter and now nextdoor.com.

Housing and Code Enforcement

Housing

Whenever you are selling or renting a property in the Township, a Certificate of Occupancy is required. Before filing the necessary paperwork, it is important that you contact the Construction Department first to insure all permits have been closed out. Housing forms can be found at www.oceantwp.org/housingforms. For your convenience, you can complete the paperwork and pay securely on line. You may choose to complete and pay online or file the forms at our office in Town Hall.

Code Enforcement

We are here to insure that your quality of life is protected. To that end, please contact us at 732-531-5000 x 3392 with any concerns you may have regarding the maintenance of any property within the Township. Some of the violations issues that we address can be found on the [Recurring Violations](#) page of our website within the [Code Enforcement](#) section.

Winter Weather Delays

For updated weather related alerts, register for Code Red and Nixle on the Township website

Garbage and Recycling Collection may be affected during inclement weather.

Snow, ice and wind can affect solid waste collection. Snow and ice make otherwise “flat” roads and lanes difficult for trucks to navigate safely, while hills can be nearly impossible to service without the risk of property damage. Wind can also be treacherous, creating roadblocks or hazards involving overhead power lines.

During serious weather events the Township will err on the side of caution and temporarily postpone collection service until conditions improve.

In the event of inclement weather, here's what to do:

1. Throughout winter, please keep your sidewalk and driveway shoveled and ensure your trash and recycling containers are not hidden by snow banks or other obstructions.
2. For garbage or recycling service alerts, please visit www.oceantwp.org or listen to local radio stations for announcements. The Township may also issue advisories via social media and other emergency notification platforms.
3. Please be patient. Servicing your home is a priority, but the safety of people and property always comes first.

Snow Plowing Tips and Facts

Some tips and facts to help you better understand the snow removal process:

When does plowing start? Snow plows typically start the plowing process after 3 to 4 inches of snow has fallen on the main roads.

How to shovel a driveway apron: Pile the majority of the snow to the left of your driveway when looking at your house. When the snow plows come by, there will be less snow to be plowed in front of your driveway.

Blocked driveways and mailboxes: The Township does NOT plow out driveways or dig out mailboxes.

How does salt work? Salt is usually applied prior to plowing to help make snow removal more efficient. After the salt is applied, cars work the salt into the snow to help make the salt do its job. Slush created by the salt and traffic can then be pushed off of the roadways. Once solid ice mats are formed it is difficult to remove them with the plow blade. Salt is also applied after plowing to improve driving conditions.

Keep Our Waters Clean

"Only Rain in the Drain"

Storm water runoff is one of the leading causes of water pollution in North America.

Unlike water that goes down your household drain to the sanitary sewer, water that flows into storm drains is typically not treated or filtered. Everything that goes into a storm drain flows into local creeks, lakes and the ocean.

Runoff can include soapy water from washing your car, fertilizers and pesticides, pet waste, gasoline and oil washed off your driveway, garbage and construction materials.

These substances can harm fish and other aquatic life and can reduce the quality of our drinking water. Litter, yard waste and other debris can accumulate on the drain itself and contribute to flooding and odors in your community.

Do your part:

- If you have a storm drain near your property take the time to make sure it is free of trash and debris, including leaves and grass.
- Avoid the use of soaps, fertilizers or chemicals around your property.
- Empty waste water down a sink.
- If you change your car's oil, dispose of it properly. Never dump gas, oil or paint into a storm drain.
- Sweep your driveway instead of hosing it.
- Dispose of waste properly.

More Solutions to Water Pollution

Do Not Litter

It is the responsibility of all homeowners and business owners to maintain their properties free of litter. Place all litter in proper receptacles. (Township of Ocean Revised General Ordinance 3-6.6)

Do Not Feed Wildlife

Do not feed wildlife such as ducks, geese and deer, in public areas. (Township of Ocean Revised General Ordinance 16-3.3)

Clean up after your Pet

All pet owners are required to immediately clean up and properly dispose of pet waste. Use paper bags or other devices to pick up waste. Double bag, secure it and place it into your household garbage cart. Never discard pet waste in a storm drain. (Township of Ocean Revised General Ordinance)

Single Stream Recycling

For garbage and recycling zone pickup information, please go to the website at www.oceantwp.org/singlestreamrecycling

ACCEPTED ITEMS AND PREPARATION

NOT ACCEPTED

Glass Bottles & Jars

Food & beverage glass bottles and jars

Avoid breaking glass

Remove lids and rinse container

Recycle metal lids; discard plastic ones

No light bulbs of any type

No mirror or window glass

No drinking glasses

No ceramics (plates, mugs, Pyrex®, etc)

Plastics 1 thru 7 with narrow neck and screw on lids; remove lids

Food and beverage bottles

Detergent jugs and bottles

Cleanser, soap and shampoo bottles

Empty and rinse all containers; discard lids and sprayers

No motor oil or chemical containers

No plastic bags

No toys

No food containers

Aluminum & Tin Cans

All food and beverage cans and lids

Empty and rinse cans

Labels are ok

No aerosol or paint cans

No cooking pots or pans

No other metal items

No paper-backed foil (lids from take-out food)

No foil laminates (potato chip bags)

All Recyclables must be placed in the Blue Recycling Cart

For garbage and recycling zone pickup information, please go to the website at www.oceantwp.org/singlestreamrecycling

ACCEPTED ITEMS AND PREPARATION		DO NOT INCLUDE
	<p>Newspapers</p> <p>Newspapers and all flyers Place them in the Blue Recycling Cart</p>	<p>No plastic bags No elastic bands</p>
	<p>Mixed Paper</p> <p>Items that are 100% paper, such as magazines, telephone books, junk mail, cards, bags, envelopes, egg cartons, office paper, paper back books, etc.</p> <p>Books are accepted – remove and discard hard covers</p>	<p>No metallic or glitter gift wrap/cards No photographs No used tissues or paper towels or any other contaminated paper No milk cartons or juice boxes No paper beverage cups (coffee, pop, etc) No shredded paper</p>
	<p>Chipboard</p> <p>Chipboard items such as cereal boxes, shoe boxes and paper towel center cores</p> <p>Paper egg cartons, gift boxes. Place them in the blue recycling cart.</p>	<p>Remove inner bags and liners</p>
	<p>Corrugated Cardboard</p> <p>Corrugated boxes must be flattened or cut and placed in Blue Recycling Cart</p> <p>Staples and tape are ok</p> <p>Any corrugated cardboard boxes that cannot fit into your Blue Cart can be taken to the Recycling Drop Off Center.</p>	<p>No cardboard that has been contaminated with oil or chemicals such as pizza and bakery boxes</p>
